TIME OFF

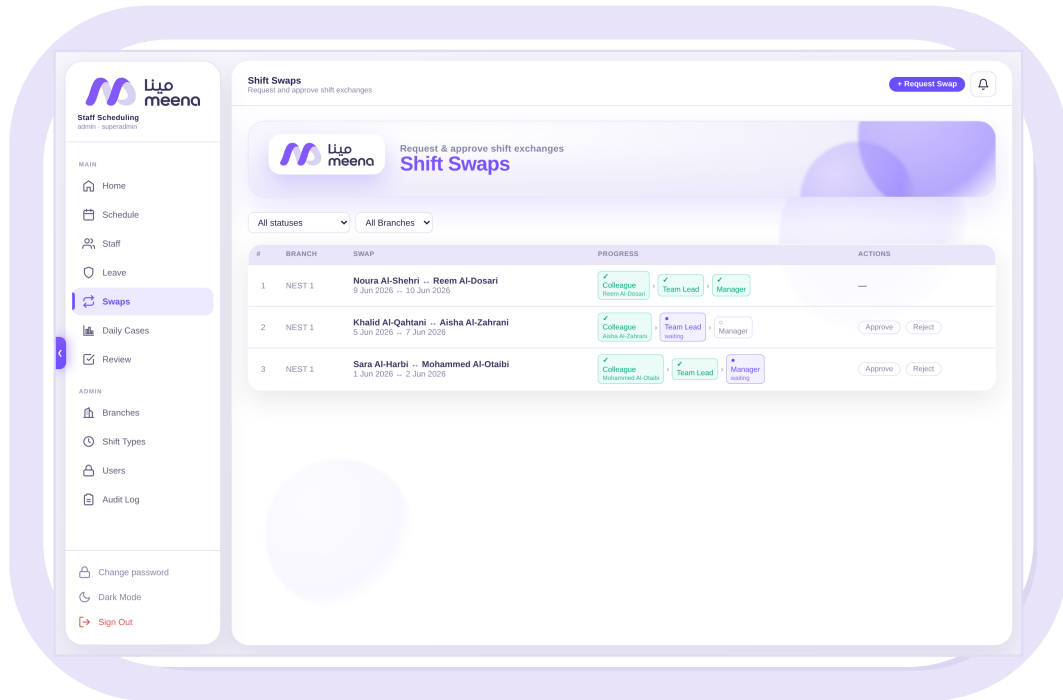

Final leave approval

Requests cleared by the team lead arrive as 'Awaiting manager' — your Approve lands them on the rota.

EXCHANGES

Final swap approval

Approve the 'Awaiting manager' swaps; they apply to the rota automatically.

The screenshot displays the 'Shift Swaps' interface within the Meena Staff Scheduling application. The left sidebar contains navigation options: Home, Schedule, Staff, Leave, Swaps (highlighted), Daily Cases, Review, and an ADMIN section with Branches, Shift Types, Users, and Audit Log. At the bottom of the sidebar are links for Change password, Dark Mode, and Sign Out.

The main content area is titled 'Shift Swaps' with a subtitle 'Request and approve shift exchanges' and a '+ Request Swap' button. Below this is a header for 'Request & approve shift exchanges Shift Swaps'. Two dropdown menus are present: 'All statuses' and 'All Branches'.

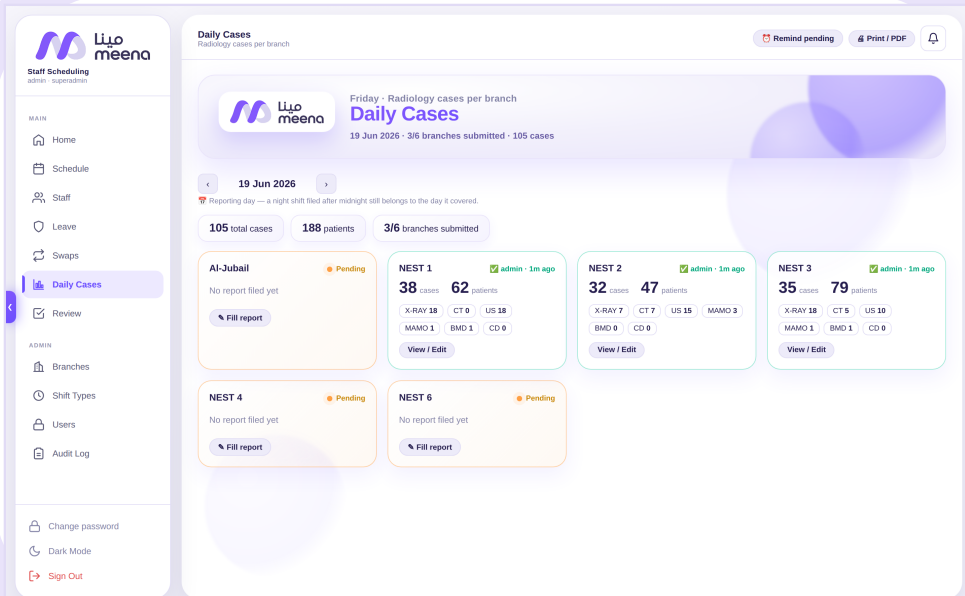

A table lists three swap requests, each with a status bar showing progress through 'Colleague', 'Team Lead', and 'Manager' stages.
