REPORTING

Daily cases

See every branch's numbers, remind branches that haven't submitted, and reopen a locked report if needed.

The screenshot displays the 'Daily Cases' reporting interface within the Meena application. The interface is designed for staff scheduling and management, with a sidebar on the left containing navigation options: Home, Schedule, Staff, Leave, Swaps, Daily Cases (selected), and Review. The main content area is titled 'Daily Cases' and shows 'Radiology cases per branch' for 'Saturday - Radiology cases per branch' on '19 Jun 2026'. It indicates that 316 branches have submitted 105 cases. A summary bar shows 105 total cases, 188 patients, and 316 branches submitted. Below this, there are six cards representing different branches: AI-Jubail, NEST 1, NEST 2, NEST 3, NEST 4, and NEST 6. Each card displays the number of cases and patients, a status (e.g., 'Pending'), and a 'Fill report' button. The cards for NEST 1, NEST 2, and NEST 3 show specific case counts and patient counts, along with a 'View / Edit' button. The cards for AI-Jubail, NEST 4, and NEST 6 show 'No report filed yet' and a 'Fill report' button. The interface also includes a 'Remind pending' button, a 'Print / PDF' button, and a notification bell icon.
